

**We are looking for a full time or part time pelvic health physiotherapist to join the Bump team!**

Do you value Trust, Integrity, Curiosity, Connection and Empowerment?

Do you have a passion for helping others and possess a personal connection to your work? Are you kind, empathetic, open and can relate to others in a way that makes them feel safe, supported, heard and valued?

Do you want to work with a team that supports you wholeheartedly, and helps you grow personally and professionally? From 1-1 **mentorship**, hands on practical sessions, monthly BFFs, and lots of team fun, we aim to support your personal and professional growth!

At Bump, we understand that we need to take care of ourselves too which is why we have designed a special **benefit program** for you. We offer flexible hours and shifts to all of our team members, and we do our best to ensure your schedule fits with your life!

All team members are **commissioed employees** which allows us to have fun as a team as well as offer opportunities for non-clinical paid roles if that is of interest to you! Staff parties, thank you's, team treats, mentorship/ education support, and visits from our clinic Happiness Officer are all things you can expect from us!

If Bump sounds like a great fit for you, please reach out. We'd LOVE to hear from you!
